## This Week's Events

### **\*DON'T FORGET\***

This weekend, Sunday 28 May, Gregg Herning will be hosting the club at The Peabody for the Riverfest Fireworks display.

We will meet at the Wendy's parking lot at 6:15 and caravan to The Peabody at 6:30 in order to have enough time to line up the cars in the Peabody's front entry.

Gregg would like all Porsche cars in the front loop by 7:00pm. After parking cars club members congregate in the Lobby Bar - we will need to be escorted to the private viewing party. The party will start at 8:00pm and will feature deserts, soft drinks, and wine. here will be no validated parking for non-Porsche cars that are not in the loop, they simply won't have the space and will be too busy. Family members coming to the event in separate cars will need to find parking on their own - there will probably not be any parking at The Peabody available. They're going to be swamped.
